

2019/06/24-2019/06/30 WeeklyReport

DONE

Summer School Course Preparation

1. Done with the slides
2. Almost done with the homework instruction

Build the homepage of our group

1. Almost migrate the homepage to new Homepage: <https://zjuvag.github.io/>. More papers need to be migrated.
2. Begin to build the blog.

Graph Visualization Engine

Find some graph visualization interaction papers. We'll follow these papers to design the interactions.

Paper revision (for FITEE)

Submitted already
